

New England Carnivorous Plant Society

PRESENTS THE

# First Annual New England Carnivorous Plant Show

**Saturday, 11 October 2003**

New England Botanical Gardens at  
Roger Williams Park, Providence RI

Drawing by Judith Finn, UC Berkeley B.G.

Some of the over 600 species of Carnivorous Plants from all over the world will be on display for the public to see. There will be a feeding area where the public can see plants being fed and can learn how and why these amazing plants eat insects. People attending the show will be able to vote on the “Peoples Choice Outstanding Plant” on display at the show. Vendors will be in attendance selling Carnivorous Plants and related supplies  
Drawings for free plants!  
Attend a free seminar

**Admission to the show is \$3, children under 2 free**

Proceeds benefit the New England Botanical Gardens  
The New England Carnivorous Plant Society is a proud affiliate of the  
New England Botanical Gardens at Roger Williams Park

**Show Hours are 11 AM thru 8 PM  
Saturday 11 October 2003**
