August 2007 Newsletter

NECPS's August 2007 Meeting will be held on

SATURDAY AUGUST 11TH at

**BlackJungle Terrarium Supply
Turners Falls, MA 01376**

NECPS Mission Statement

"The mission of the New England Carnivorous Plant Society shall be to share, to gain knowledge of, and to achieve expertise in all phases of growing, education, appreciation, and conservation of carnivorous plants in both culture and in native habitats."

Message from the President

Hello All,

Welcome back to the regular meetings of the New England Carnivorous Plant Society! Actually, that statement is somewhat false, as no one could ever call our meetings "regular." With the plants we display at the meetings, the auction table filled with exciting things, the topics we seem to have long conversations about, and the different people we have as members of the society, I don't think anyone would ever dare call a NECPS meeting "regular"!

August is the return to our regularly scheduled meetings, and we open the second half of the year with our annual trip to Black Jungle Supply, in MA. Mike and Richard at Black Jungle have been huge supporters of the NECPS since we all first got together, and this annual event, the bog walk and the BBQ at their own private production and collection greenhouses is always one of the highlights of the year.

We also have the annual fall Carnivorous Plant Show on September 29/30 to get ready for, and who knows what we may have in store after that! So welcome back to the not so normal, but regularly scheduled meetings of the New England Carnivorous Plant Society!

Namaste

~ John Phillip, Jr.

NECPS Program: August 11th 2007

“Annual NECPS Cookout”

Hosted by: Mike Wallitis and Richard Revis of Blackjungle Terrarium Supply

Note: Please see the document attached to the email for more information on the bog walk and cookout, or visit Blackjungle’s website (www.blackjungle.com), or contact Mike and Richard at: 800-268-1813.

Remember to RSVP for directions to the cookout location—if you have trouble RSVPing online, contact Mike and Richard via phone or email.

The cookout at BlackJungle is a tradition of the NECPS. Mike and Richard have supported the NECPS since its inception and are graciously hosting a bog walk and cookout again this year!

The bog walk at Hawley Bog is the perfect venue to see CPs in the wild. There is a floating walkway that enables you to get up close and personal with crimson red Sarracenia and Drosera! The overall scenery is spectacular. Best of all, you get to enjoy the plants in the company of fellow CP enthusiasts, and our guides, Mike and Richard, possesses in-depth knowledge of the surrounding vegetation.

Best of all, after the walk, Mike and Richard extend a warm invitation to all NECPS members to come to their home and see the greenhouses filled with carnivorous and exotic non-carnivorous plants while enjoying great company and food. Plants are 20% off for NECPS members! And there are always plants for sale that can’t be found on their website.

So, a bog walk, a cookout, a tour of greenhouses filled with CPs, and a chance to take a carnivorous plant home with you at an amazing discount—ALL IN ONE DAY! Make it a point to come to this year’s bog walk—you won’t regret it!

PS: Don’t forget to bring your NECPS membership card to the cookout (or sign-up for membership at the cookout) for the 20% discount. See the end of the newsletter for a membership sign-up sheet.
