## NEW ENGLAND CARNIVOROUS PLANT SOCIETY

([www.NECPS.org](http://www.NECPS.org))

*"The mission of the New England Carnivorous Plant Society shall be to share, to gain knowledge of, and to achieve expertise in all phases of growing, education, appreciation, and conservation of carnivorous plants in both culture and in native habitats."*

This month's meeting will be held on  
**Saturday, June 11 at 10:00 AM at:**

### This Month's Meeting

This month we will be holding a bog walk at Ponemah Bog in Amherst, NH. Plans are to meet in the parking lot of Panera Bread, 590 Amherst St (Rt 101A), Nashua NH 03063 at **10AM**. Then we should car-pool as the parking lot at Ponemah bog is very limited. The entire hike should take 1-2 hours.

It is an easy hike with board walks, no long boots necessary (unless it is flooded after a heavy rain). You will see lots of *S. purpurea*, *D. intermedia*, *D. rotundifolia*, and *U. cornuta*. The morphological diversity of the *Sarracenia* is amazing; multiple different patterns and colors exist side-by-side!

## Announcements

- ❖ Check out our new [Facebook page](#) for the **NECPS 13th Annual Fall Carnivorous Plant Show!**
- ❖ **"The Wonderful World of Carnivorous Plants!"** at Education Building, Parkman Room, The Gardens at Elm Bank, Mass Hort, Wednesday, August 12, 2-3:30pm. This is a family friendly introductory class to carnivorous plants. The participants will examine, feed, and learn everything about carnivorous plants. Every child will get their own Venus flytrap to take home!

## Volunteer Opportunities

- ❖ **Volunteers** are needed for **"The Wonderful World of Carnivorous Plants!"** Registration is required and may be done [HERE](#).

**Big THANK YOU! to fellow NECPS member Tom C. who did a wonderful job at the Tower Hill plant sale on 5/21. Tom made all of our stuff look professional, and sold most of the plants that we had. He made a nice profit for our society!**
