This Month's Meeting

This will be our first meeting held at this location, so please be sure to check the directions to plan your time of arrival! Plans are to hold post-show discussion. In addition **Kadeem Gilbert**, who is conducting research on *Nepenthes* pitcher morphology and evolution at Harvard University will give a talk entitled "**Examining the influence that pitcher traits have on inquilines and prey capture.**"

Announcements

- ❖ On October 3rd, 2016, **Don Gallant, Librarian of NECPS** gave a slide/video presentation titled "**Introduction to Carnivorous Plants**" to the Foxboro Garden Club at the Church of Emmanuel in Foxboro, MA. A question and answer period with a discussion and display of a variety of carnivorous plants followed the presentation.

Volunteer Opportunities

- ❖ Stay tuned!
